Hi KL,

It looks like 8/20/2020 @ 11:30~12:30 PM could work for the team here. I'll send a HOLD to our folks to save the slot until you send the official invite.

I anticipate we will be in a better position to have a list of topics when the date is closer.

Thanks,
John Yagecic

Hi John,

Oops! I found a typo in my previous email. However, it does make sense to figure out what issues we need to discuss, therefore I appreciate if DRBC can send us the issues or topics you would like us to discuss prior to the upcoming scheduled meeting. Below are three potential dates based on the most EPA staff availabilities:

8/19/2020 @ 12:00~1:00 PM  
8/20/2020 @ 11:30~12:30 PM  
8/20/2020 @ 12:00~1:00 PM

Hi John,

Yes, it make sense. As Greg agreed that we will take your proposal to re-schedule it during mid-August. I will give you the updates of our availabilities in the future. Thank you and have a good holiday.

Regards,  
KL

Agreed, John. August would be the most appropriate time for us to regroup. Apologies for the mix-up.

KL, can you please re-check calendars for folks on our side and then propose some available dates to John for the mid-August timeframe? Thanks.

Hi KL,

Is there something new to discuss at this point? If not, I would propose a follow-up meeting after the 2 WQAC meetings, sometime in August. Does that make sense to you?

Thanks,  
John Yagecic

Hi John,

After the 6/18/2020 EPA/DRBC UAA discussion virtual conference call, Greg asked me to coordinate with you for scheduling a follow-up conference call to further discuss EPA support in DRBC UAA. This is the potential follow-up meeting schedules for such call based on the majority of EPA staff availabilities:

- 1) 7/9/2020 @ 2:00~3:00 PM
- 2) 7/13/2020 @ 2:00~3:00 PM
- 3) 7/15/2020 @ 2:00~3:00 PM

Please arrange a virtual meeting for all at your earliest convenience.

Thanks.
